November Rememberances:

Things of note from the spaghetti feed at Martha and Vern Shreve's on November 19. Those that attended (about 30) voted it an outstanding cozy event, with plenty to eat and gossip galore. The Shreve's have had world class experience in cooking and serving. Thanks to all three generations of Shreve's for the party.

The business meeting and reports were conducted by Cork in lieu of vacationing Pres. and Vp. He reported that we are participating in collecting food for the Tri-Cities food banks. Approx. 30 businesses have provided drop boxes for non-perishable food in cans and bags. Approx. 12 car clubs are assigned to do pick-ups each Saturday. The clubs also are doing drives of their own through their members. YOCC, 3 Rivers Model-T, and Columbia Basin Model-A have been combined in being tabulated for the total collection prize.

Susie and Bruce Stinsman have reported in from Alaska, they have purchased a home and the picture the sent looks good.

Carolyn and Mike Martin have returned to their home in the Denver area from his assignment back east.

The festive evening ended by joining the Model A & T Clubs for pie and drinks. Audrey and Cork showed slides from their February 92 New Zealand Tour.
